Lord of the Shining Face: My House Is Empty: An Exploration Into Creation // Margaret Kirk // 1997 // 0964518104, 9780964518100 // 176 pages // Gateways Books & Tapes, 1997 // Myth, legend, fable, and history regarding the origins of our world are woven together. My message to you, the reader, emerges as a gentle assault against the various patent approaches commonly used to explain our world and the thing we call 'life'. In the following material, I will conduct something of a physical examination of the human, searching for that all important but elusive spiritual element. From there we will engage in an account of UFOs, their controversial presence in our skies, and the questions these 'objects' provoke as to our beginnings. The final chapter looks at the 'impossibilities' of today's world which may become ordinary, even mundane, in the world of tomorrow. file download xubur.pdf
